

PROPOSAL FOR AMENDMENT OF BOF TERMS OF REFERENCE

CURRENT TERMS OF REFERENCE

1. Promote co-operation, collaboration and partnership amongst bridge owners
2. Identify technical & research needs/priorities to promote best practice management of the bridge infrastructure
3. Disseminate information (avoid duplication)
4. Recommend research priorities

PROPOSAL

The Forum agreed at BOF25 to consider a revision to the above Terms. The following draft text is suggested for discussion:

1. Promote co-operation, collaboration and partnership amongst bridge owners
2. Identify technical & research needs/priorities to promote **good** practice management of the bridge infrastructure
3. Disseminate information (avoid duplication)
4. Recommend research priorities
5. **Promote, where appropriate, consensus views on needs/actions necessary to improve long-term bridge infrastructure management.**
